

**DBC Construction Inc.** recently completed a two-story tenant improvement project for **Arena Pharmaceuticals Inc.** at 6154 Nancy Ridge Drive, San Diego. The first-floor tenant improvement included new private and shared offices. Tenant improvements on the second floor consisted of private offices and expansion of the file storage room. As part of the project, a new elevator was installed, as well as a new HVAC system serving both floors.

Scott Markert was the project manager for DBC. **Smith Consulting Architects** provided the design. Other key team members included **Westwind Mechanical Inc.** and **Cooper Electric.**
